

Arlington Public Schools Middle School Mathematics Progression, SY 2025 - 2026

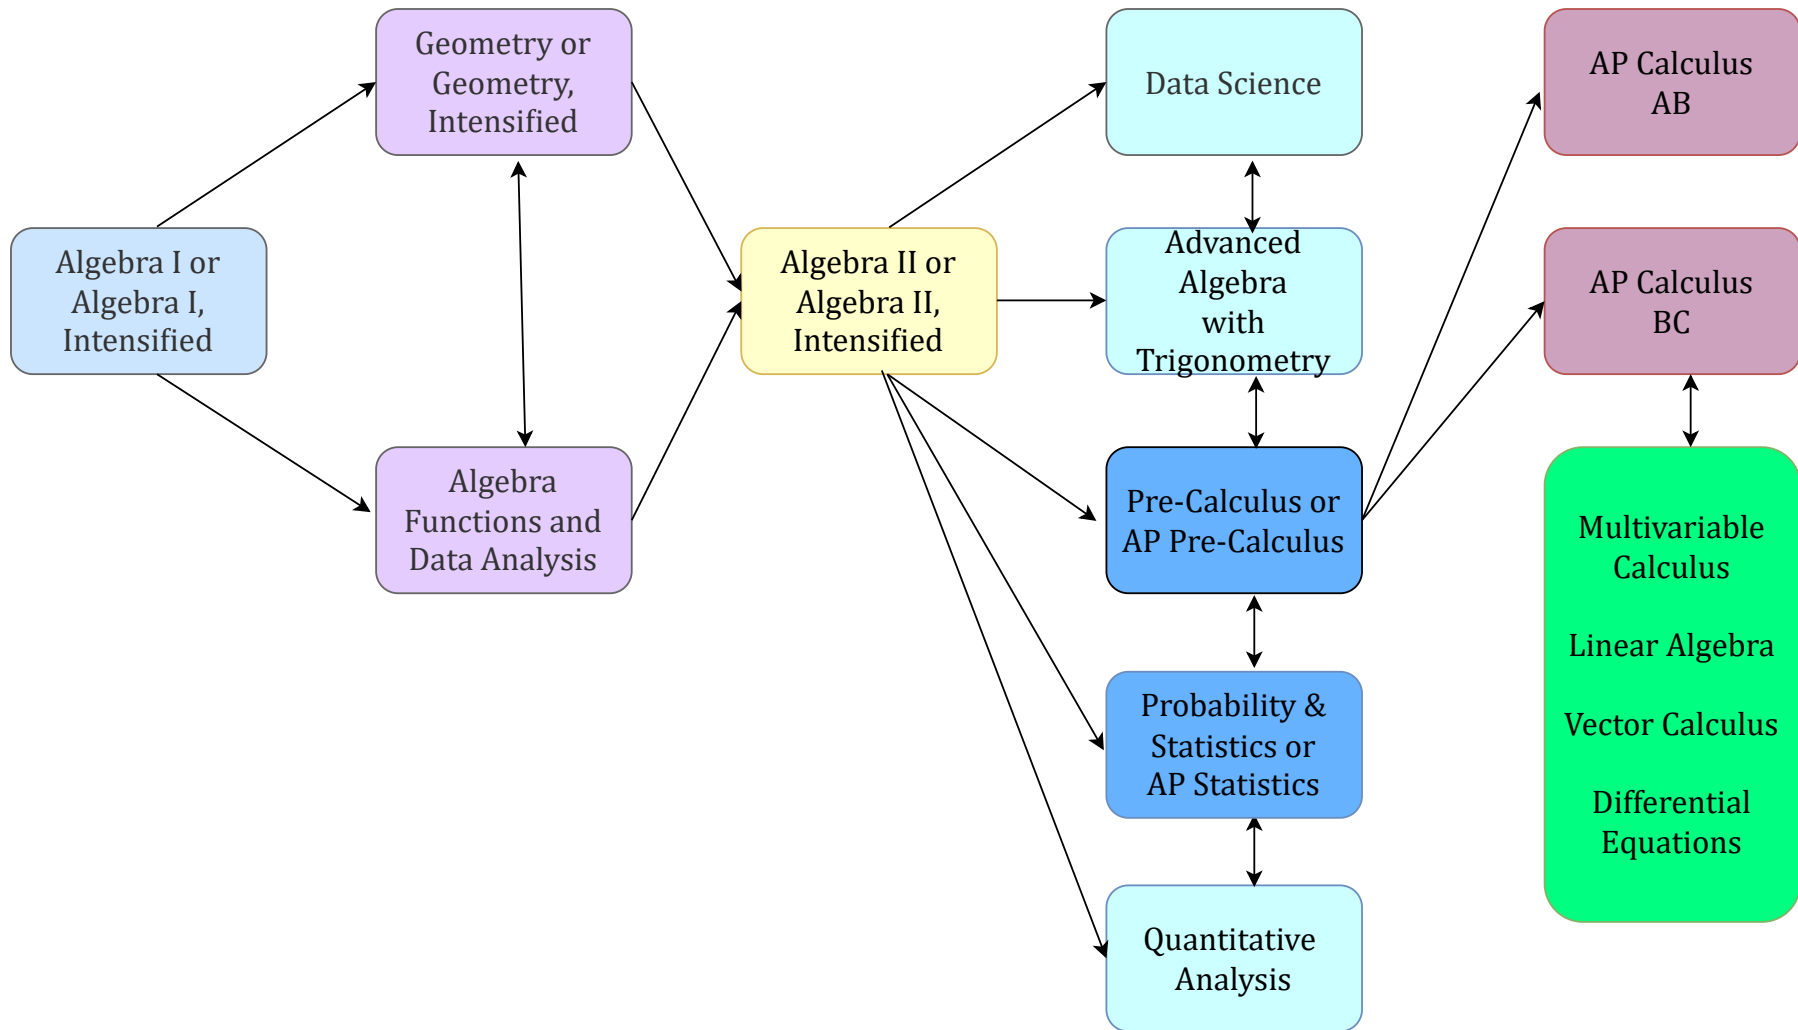

- Students needing additional support may be concurrently enrolled in Math 6, Math 7, or Pre-Algebra 8 along with an associated Strategies course.

Note:

Dotted line progressions indicate that these instances are less common, however they allow the opportunity for students to demonstrate mastery of middle school mathematics standards before progressing to the study of Algebra I.

Arlington Public Schools High School Mathematics Progression, SY 2025 - 2026

Considerations:

- For specific IB and Dual Enrollment courses not mentioned on this diagram, please see the index of courses offered at individual high schools.
- Students needing additional support may be concurrently enrolled in Algebra I, Geometry, or Algebra II along with an associated Strategies course.
