

## **Advisory Council for Teaching and Learning**

December 4, 2024

7:00-9:00 PM

### Meeting Location

Syphax Center (2110 Washington Blvd, Conference Room #452/454/456)

### **7:00, Welcome & Community Building**

November meeting notes were approved with no changes.

### **7:05, Community Builder**

### **7:10, CCPTA Presentation of Student Performance Data**

Claire Nokes presented data on APS student performance focusing on a seeming association between student math performance and student responses on the Your Voice Matters survey on their school's ability to challenge them appropriately. CCPTA recommends that representatives learn how their school differentiates and investigate ways to improve differentiation.

### **7:40, Subcommittee Presentations (Gallery Walk)**

Four ACTL subcommittees, SHAB, Advanced Academics, English Language Arts, and Science, presented their recommendations to solicit ACTL representative feedback.

### **9:00, Adjournment**
