Message from the Superintendent

Dear Arlington Community,

Spring is here, and with it comes another exciting semester at Arlington Community Learning (ACL)! Registration is now open for our Spring 2025 courses, and we invite you to explore our catalog to see all we have to offer. With over 200 classes available, you're sure to find something that sparks your interest.

If you don't see the class you're looking for, please let us know. Our coordinator, Raul Matos (raul.matos@apsva.us), is always looking for new teachers and course ideas. ACL prides itself on offering high-quality, affordable classes with small class sizes—usually no more than 12 students. We also offer scholarships for those in need of financial assistance.

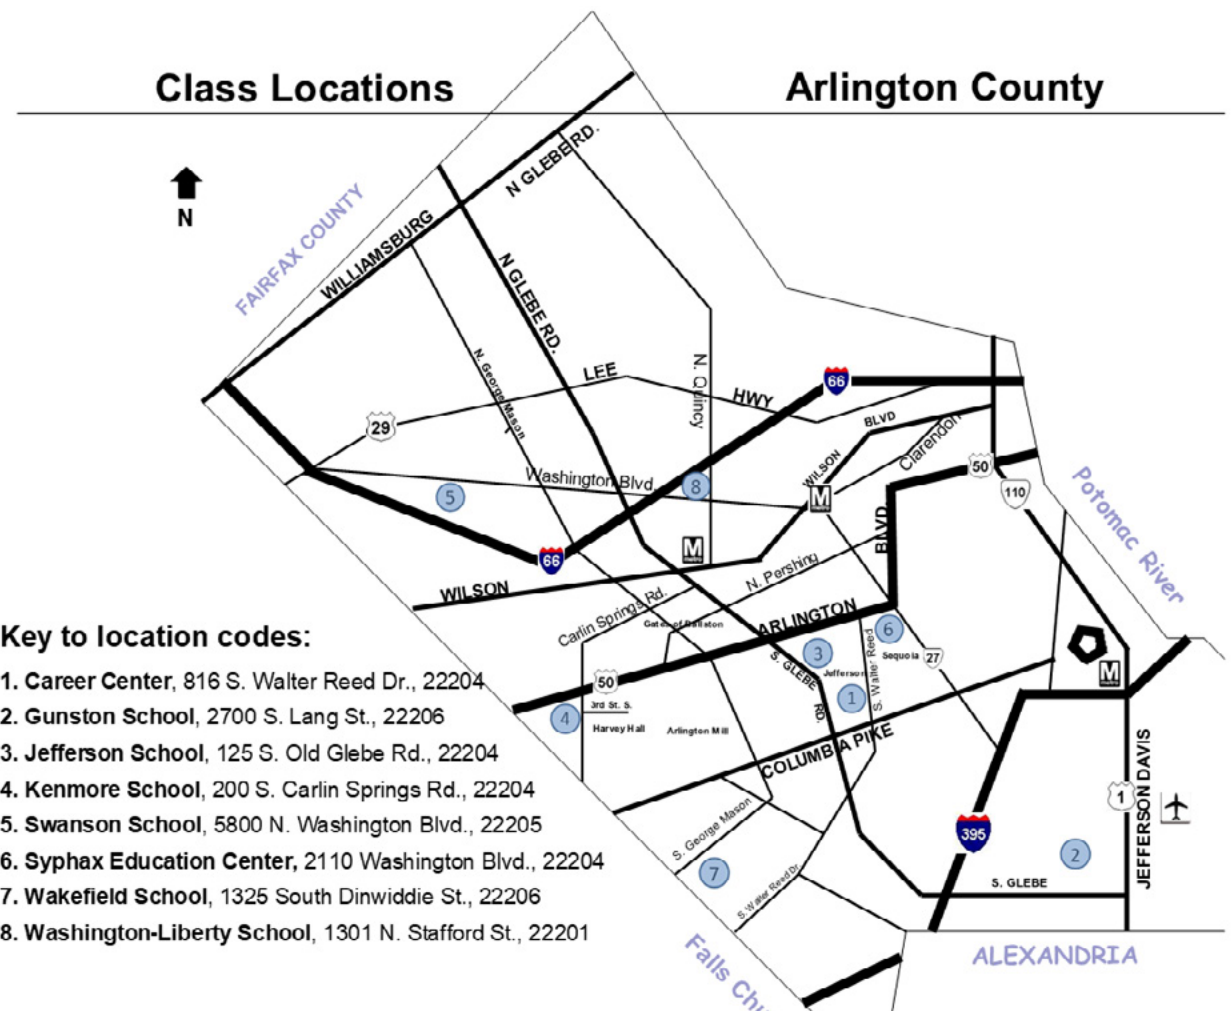

Beyond learning something new, ACL is a wonderful place to connect with your community, meet new friends and engage with others who share similar interests. We encourage you to explore our offerings and register for class... better yet, invite a friend to register with you.

Sincerely,
Dr. Francisco Durán, Superintendent
Arlington Public Schools

Medical Industry

Pharmacy Technician

The need for Pharmacy Technicians continues to grow with demand expected to increase substantially through 2024. Technicians work under the supervision of a registered pharmacist in hospitals, home infusion pharmacies, community pharmacies and other healthcare settings. This high demand for pharmacy technicians is the result of a multitude of factors including the constant availability of new drugs, the national shortage of registered pharmacists, the establishment of certified pharmacy technicians, and the aging population. Approximately 400,000 technicians will be employed by the year 2024 to meet our nation's growing healthcare demands. Payment plans available. This course includes all study materials and an optional externship. See online description for more details. Tuition: \$1,299
