Arlington Community Learning

Message from the Superintendent

Dear Lifelong Learners,

As the days grow shorter and the air turns crisp, fall brings a season of renewal and opportunity. While students prepare to return to school, it's also the perfect time for adults to explore new interests, sharpen skills or simply enjoy learning something new. Arlington Community Learning (ACL) is excited to offer a fresh lineup of engaging, inspiring, and convenient classes throughout the county.

This fall, we are pleased to introduce new classes in real estate, artificial intelligence, cooking, computer and arts. We've also broadened our online catalog, with 24/7 access to courses such as Microsoft Office, Adobe InDesign, pharmacy technician, medical billing and coding, office skills, and more - ideal for those looking to learn at their own pace. We're also adding exciting new options in our after-school Youth Enrichment Program (YEP). The YEP program will offer classes in coding, creative writing, art, baking and more— perfect for sparking tech skills and creativity.

At ACL, we believe learning should be a lifelong journey. That's why our motto remains: "Where Learning Never Ends!" We invite you and your friends to discover what's new this fall and sign up for a class that inspires you.

If you have a passion you'd like to share and are interested in teaching, please reach out to Raul Matos at [raul.matos@apsva.us](mailto:raul.matos@apsva.us) with your course idea.

Here's to a season of growth, creativity and discovery!

Sincerely,  
Dr. Francisco Durán, Superintendent  
Arlington Public Schools
