

What's in the Back-to-School Packet?

Completing the Back-to-School Packet **every year** is key to keeping your student supported. It helps us have the latest emergency contacts, health information, and permissions about services and sharing student data. **Families must complete in order to have full access to ParentVUE.**

To complete:

- Log in to your ParentVUE account; iPad or laptop recommended
- Click on the complete back-to-school packet link
- Click on the back-to-school packet icon to get started
