

School Board Advisory Committee Working Group

Committee Research (consider placement in PIP)

| Proposed | Feedback | Final |
|--|---|--|
| <p>Any requests related to Council work from Council members should be communicated through the chairs. Chairs should communicate with Arlington Public Schools staff members through the staff liaison.</p> <p>While the Council may do independent study and research, work should be coordinated with staff and not duplicate or overlap staff work.</p> <p>The Council will be provided access to and be encouraged to exhaust existing public data and information sources, such as Arlington Public Schools data dashboards and information published by the Virginia Department of Education, prior to making data requests.</p> <p>The Council may request additional data that has been gathered and analyzed by Arlington Public Schools staff that is strategically necessary to fulfill the charge of the Council. Any such requests will be fulfilled in a timely manner, pending staff capacity and at the discretion of the staff liaison and School Board liaison.</p> | <p>Agree</p> <p>Will the recommendation process be formalized? – This is in the Deliverables section.</p> | <p>Any requests related to Council work from Council members should be communicated through the chairs.
