	Q1	Q2	Q3	Q4		Q1	Q2	Q3	Q4
Social-Emotional Learning					Mathematics				
Self-Awareness: Understands one's own emotions, thoughts, and values and					Number & Number Sense				
how they influence behavior					Utilizes counting strategies to determine and describe quantities up to 200				
Self-Management: Manages one's emotions, thoughts, and behaviors effectively in different situations					Understands the ten-to-one relationship of the base 10 number system to represent, compare, and order whole numbers up to 999				
Social-Awareness: Understands the perspectives of and empathizes with others					Uses reasoning and justification to solve problems that involve partitioning				
Relationships: Establishes and maintains healthy and supportive relationships					models into equal-sized parts				
Decision-Making: Makes caring and constructive choices about personal behavior and social interactions					Solves problems that involve counting and representing money amounts up to \$2.00				
	Q1	Q2	Q3	Q4	Computation and Estimation				
English Language Arts					Recognizes, describes, and demonstrates fluency of part-whole relationships				
Foundations for Reading					for numbers up to 20				
Orally identifies and produces various phonemes (individual sounds) within words to develop phonemic awareness					Estimates, represents, solves, and justifies solutions to single-step and multistep problems using addition and subtraction with whole numbers				
Applies phonetic principles to read					Measurement and Geometry				
Applies phonetic principles to spell words					Uses standard units (U.S. Customary) with appropriate tools to estimate,				
Reading and Vocabulary			•		measure, and compare objects by length, weight, and liquid volume				
Builds vocabulary and word knowledge based on grade two content and texts heard or read					Understands the concept of time to the nearest five minutes, using analog and digital clocks				
Reading Literary Text and Informational Text			•		Identifies, describes, and creates plane figures that have at least one line of				
Uses textual evidence to demonstrate comprehension and build knowledge					symmetry and explains its relationship with congruency				
from a variety of literary and informational texts heard or read					Describes, names, compares, and contrasts plane and solid figures				
Foundations for Writing and Language Use			Probability and Statistics						
Produces and expands complete sentences					Applies the data cycle with a focus on pictographs and bar graphs				
Writing and Research			Patterns, Functions, and Algebra						
Writes in a variety of forms linked to grade two content and texts					Describes, extends, creates, and transfers repeating and increasing patterns				
Communication and Multimodal Literacies					using representations				
Develops effective oral communication and collaboration skills									

	Q1	Q2	Q3	Q4
Science				
Force, Motion and Energy				
Investigates and understands that different types of forces may cause an object's motion to change				
Matter				
Investigates and understands that matter can exist in different phases				
Living Systems and Processes				
Investigates and understands that plants and animals undergo a series of orderly changes as they grow and develop				
Investigates and understands that living things are part of a system				
Earth and Space Systems				
Investigates and understands that there are different types of weather on Earth				
Investigates and understands that weather patterns and seasonal changes affect plants, animals, and their surroundings				
Earth Resources				
Investigates and understands that plants are important natural resources				
	Q1	Q2	Q3	Q4
Social Studies				
Civics				
Explains the responsibilities of good citizenship including the ways people of America participate and contribute to their communities				
History				
Makes connections between past and present and describes important developments in U.S. history				
Geography		,		
Develops geographic mapping skills and describes the relationship between environment and culture				
Economics		•		
Understands basic economic principles				
	Q1	Q2	Q3	Q4
Art				
Creative Process: Demonstrates creative thinking through inquiry and investigation in the development of artwork.				
Critical Thinking and Communication: Develops critical thinking and communication skills in the analysis, interpretation, and evaluation of artwork.				
History, Culture and Citizenship: Explores and understands cultural and historical influences of artwork.				
Innovation in the Arts: Understands and explores visual arts content, processes, and skills to make connections to career opportunities.				
Technique and Application: Develops skills and techniques for multiple means of expression in visual arts.				

General Music				
Singing: Develops and demonstrates skills in singing with increasing				
complexity (to include basic harmony and larger singing ranges)				
Movement: Responds to music through movement				
Playing Instruments: Accurately performs music using a variety of instruments				
Music Literacy and Vocabulary: Accurately uses music terminology and demonstrates music reading and notation skills				
Contribution: Demonstrates good citizenship and contributes to success in the music classroom				
	Q1	Q2	Q3	Q4
Health and Physical Education				
Motor Skill Development				
Performs locomotor skills (i.e., walking, running, hopping, galloping, and jumping)				
Performs a simple combination of non-locomotor skills (i.e., jumping, bending, pushing, turning, balancing, and rolling)				
Performs eye-hand coordination skills (i.e. dribbling, under/overhand throwing, striking with implements)				
Performs eye-foot coordination skills (i.e. kicking, dribbling, passing)				
Demonstrates rhythm in basic dance sequences or other rhythmic activities				
Health and Physical Education Concepts				
Understands concepts and principles to be healthy and physically active				
Healthy Decision Making and Wellness Promotion				
Demonstrates appropriate health and wellness practices and behaviors to promote a safe and healthy environment for oneself and others				
	Q1	Q2	Q3	Q4
Spanish Language Proficiency				
Reading for Understanding: Identifies words, phrases, or basic information				
related to personal everyday life and content				
Speaking Exchanges: Exchanges personal information				
Writing for an Audience: Presents simple written information related to content
