Message from the Superintendent

Dear Arlington Community,

On behalf of Arlington Public Schools, we wish you a happy holiday season and new year! As you set your resolutions, we hope that one of them includes learning something new. Let 2026 be a year of growth and discovery.

This course catalog offers over 200 classes and workshops designed to enrich your personal life and support your professional development. We are fortunate to live in such a vibrant, talented and experienced community. Community education is truly about neighbors teaching neighbors, and our instructors reflect that spirit. They come from a diverse range of industries and backgrounds, from authors, programmers, educators, chefs, linguists, trainers, executive coaches, builders, musicians and more.

Our classes do more than teach new skills. They create a space for people to connect, share experiences and build a sense of community. Whether you're exploring a new hobby or advancing your career, you'll find yourself surrounded by fellow learners who enrich the experience.

We are always eager to welcome new instructors, fresh ideas and innovative course offerings. If you are interested in teaching or proposing a class, please visit our website at www.apsva.us/acl or contact Raul Matos at raul.matos@apsva.us.

Sincerely,
Dr. Francisco Durán, Superintendent
